#### ALL ITEM SUB

Delivery Charge				\$1,475	\$2,112
Total				\$0	\$299
				\$1,475	\$2,411

#### Notes:

Many times we cannot compare Braeside Farms Items to New Seasons prices because they do not carry organic or biodynamic items that we grow. Other times our costs are higher because of the factory-like conditions in which the crops are produced. For example, we cannot grow chickens or chicken eggs on a small scale using organic and biodynamic methods at the price of chickens grown not using those methods and on a factory scale.
